At the time of quotation we are able to offer a 6 - 7 week delivery period, from receipt of order, at present stock levels, this will be confirmed on the formal order acknowledgement.

Quotation

Kistler Terms & Conditions of Sale apply. Refer to www.kistler.com for details.

Please note that Kistler can also offer traceable and accredited calibration services including UKAS calibration for pressure and charge at our UK calibration laboratory.

If I can be of any more assistance, please do not hesitate to contact me using the contact number above or the main UK office.

Important Information:

Delivery times are subject to final clarification of all details of material procurement: Due to worldwide supply bottlenecks and delivery delays for electronic components and raw materials, deadlines may be postponed at any time and at short notice. Affected customers will be informed immediately.

Yours faithfully,

KISTLER INSTRUMENTE AG
